# ICTLE 2021

Macau

August 9-11, 2021

2021 9th International Conference on Traffic and Logistic Engineering (ICTLE 2021) will be held in Macau on August 9-11, 2021. ICTLE 2021 is a multi-disciplinary conference that aims to bring world's experts and academics in the area of Traffic and Logistics to define new boundaries and to deliver research results, innovative solutions and technologies that are of vital importance to the development of solutions and strategies to address challenges and requirements of current and future traffic and logistics industry. The conference will offer the opportunities for enhancement in the depth and breadth of knowledge of the subject as well as to explore new areas of collaboration between the academia and the industry.
