

2024 12th International Conference on Traffic and Logistic Engineering

August 23-25, 2024
Macau, China

ICTLE 2024

General Info

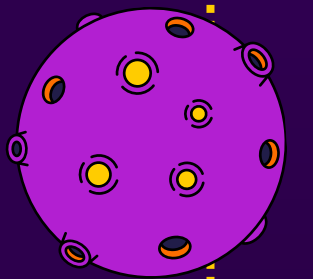

2024 12th International Conference on Traffic and Logistic Engineering (ICTLE 2024) will provide a platform for researchers and practitioners to present their latest findings and results in this exciting field. The conference will take place in Macau, China on August 23-25, 2024, which is co-sponsored by Macau University of Science and Technology, and technically sponsored by the Faculty of Science and Technology of the University of Macau.

ICTLE 2024 will include several distinguished keynote speakers and three days of parallel sessions, Macau visiting, and other activities. Attendees from academia, government, and industry are expected to attend the conference, making it an excellent opportunity to share knowledge and network with colleagues in the field.

Important Dates

Submission Deadline: April 10, 2024
Acceptance Notification: May 10, 2024
Registration Deadline: May 25, 2024
Early Bird Registration: May 25, 2024

Call for Papers

Topics are in the following tracks, but not limited to:

Track I: Transportation Infrastructure and Technology

- Autonomous vehicle technology
- New Technology on Transportation Infrastructure (Pavement, Bridge)
- Highway Maintenance and Management
- Sustainable Transportation Infrastructure Design and Management

Track II: Transportation Planning and Management

- Transportation Planning and Policy
- Emergency Response Systems and Technologies
- Transportation Management and Operations

- Logistics Engineering and Supply Chain Management
- Vehicle Operations and Safety
- Rail and Transit System Planning and Management

Track III: Intelligent Transportation Systems

- Intelligent Transportation Systems and Applications
- Traffic flow theories and application
- Traffic control and disruption management
- Travel behaviour analysis and demand modelling
- Transportation network modelling and optimization
- Data analytics in transportation research

Organizing Committee-ICTLE 2023

Advisory Committees

- Prof. Haibo Chen, University of Leeds, UK
- Prof. Zongzhi Li, Illinois Institute of Technology, USA
- Prof. Wei Fan, University of North Carolina at Charlotte, USA

Honorary Chair

- Prof. Huajun TANG, Macau University of Science and Technology, Macau, China

Conference Chair

- Prof. Felix T. S. Chan, Macao University of Science and Technology, Macau, China

Conference Co-Chairs

- Prof. Pak Kin WONG, University of Macau, Macau, China
- Prof. Xiaowen Fu, The Hong Kong Polytechnic University, Hong Kong, China
